Premier Cares is the ideal provider for you and your family.

- ✎ **WORRY-FREE CARE.** Your dedicated Care Manager makes your life easier, coordinating treatments and therapies while documenting issues or changes—and keeping your doctors, care team and loved ones in the loop.
- ✎ **A SEAMLESS APPROACH.** Creating a smooth transition from a care facility to home care, or vice versa, enables more consistent medical care and support to meet the patient's specific needs wherever they call home.
- ✎ **COMPREHENSIVE HOME CARE SERVICES.** One point of contact gives you access to a full range of in-home services, including skilled nursing, physical therapy, occupational therapy, speech therapy, counseling and more.
- ✎ **HOSPICE AND PALLIATIVE SERVICES.** Our specialists get to know you and understand your needs and care preferences for uniquely personal hospice and palliative care delivered in a comfortable home or care facility setting.
- ✎ **CONSISTENT COMMUNICATION.** We partner with Ciena Healthcare and Theoria Medical to streamline communication between healthcare providers, so you benefit from smooth coordination and a more personalized, productive care plan.

Nurse Care at Home

Whether help is needed following an illness or surgery or more extensive care due to complex medical needs, Premier Cares can help. Every patient and their family is assigned a Case Manager who helps with medical needs like appointment scheduling, pain and wound care support and more.

Palliative Care

Battling a severe or life-threatening illness often means living with physical pain and mental stress. Premier Cares provides professional palliative care, or comfort care, which can help relieve symptomatic pain and fatigue while reducing stressors for healthier everyday living. Nurse practitioners and physicians coordinate all palliative care needs—no outsourcing—so patients benefit from a seamless care experience.

Palliative Care Services include:

- ✔ Expert pain and symptom management
- ✔ Care coordination with physicians and healthcare team
- ✔ Assistance in developing individual care plans
- ✔ Help with insurance forms and making care or housing decisions
- ✔ Spiritual care for patients and families for dealing with the stress of an illness

At-Home Nursing Care Services include:

- ✔ Skilled nursing
- ✔ Physical therapy
- ✔ Speech therapy
- ✔ Medical social workers
- ✔ Certified home health aides (HHA)
- ✔ Registered dietitians
- ✔ Occupational therapy

Hospice Care

If you or a loved one are dealing with a life-limiting illness, hospice care can provide much-needed comfort and peace. We provide hospice services in private homes, assisted living facilities, adult care residences, skilled nursing facilities or wherever home may be.

Hospice Services include:

- ✔ Pain and symptom management
- ✔ Medications, medical supplies and equipment
- ✔ Maintain patient comfort
- ✔ Support for patient and loved ones
- ✔ Assist with personal care and daily activities
- ✔ Speech and physical therapy, if needed
- ✔ Spiritual advisors or chaplains
- ✔ Volunteers for companionship
- ✔ Music and massage therapy
- ✔ Bereavement services and counseling
